

Deaf Student DSA SignWave Kit - Includes Door, Telephone, Smoke & Carbon Monoxide Alerts

Priced at just £408.54* delivered

The System includes a SignWave Sounder with Strobe, Vibrating Pillow Pad, Wireless Door Bell, Wireless Telephone Alert, Wireless Smoke Alarm & Wireless Carbon Monoxide Alarm. When the bell push is pressed or another alert is activated the SignWave sounds, flashes a strobe and lights the appropriate symbol. At night the Vibrating Pillow Pad wakes the user when a signal is received. The System is also fully compatible with the Fire Safe System to alert the user when the main building fire alarm activates.
